# HOW WILL IP PROTECT LITE IMPROVE MY BUSINESS?

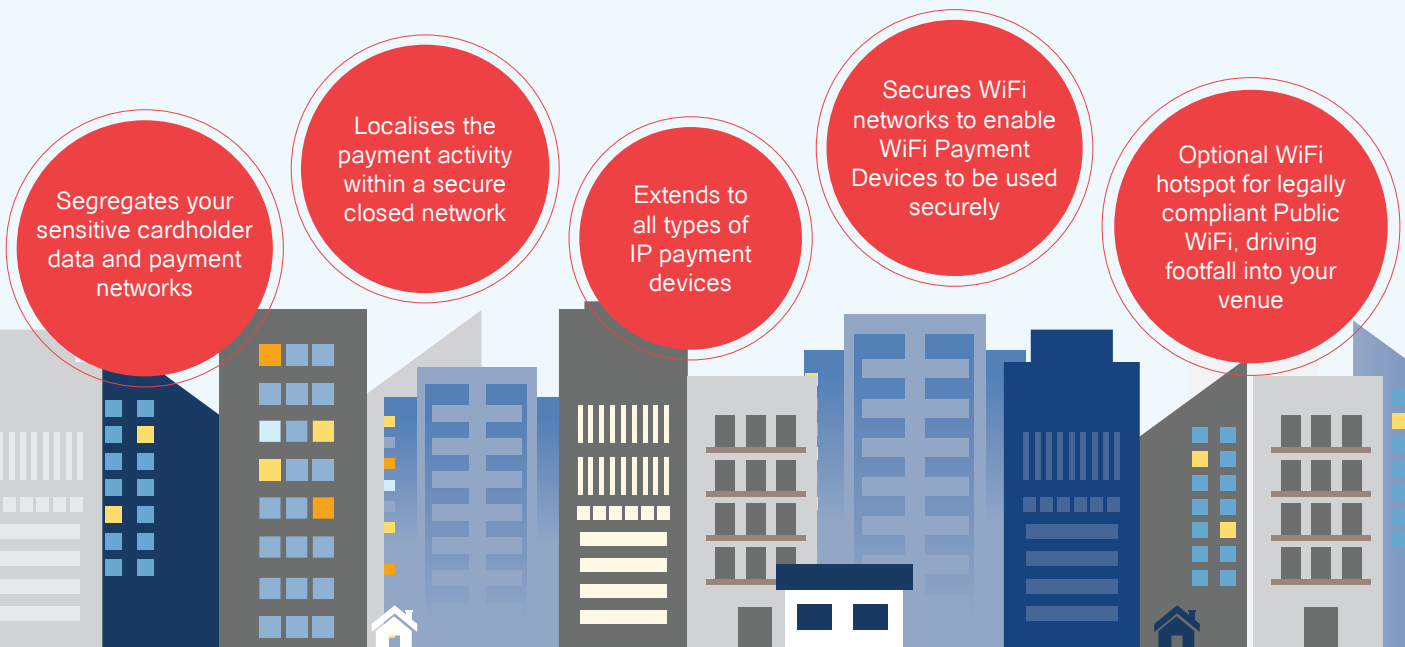

IP Protect Lite, developed and delivered by Blue Scorpion Ltd, reduces the Self-Assessment Questionnaire (SAQ) by over 80%. It does this by helping merchants reduce their scope, risk and protect their brand quickly and cost effectively, thus reducing fines being imposed by the Acquiring banks.

IP Protect Lite, is an “out of the box” network security solution, fully backed by an insurance policy for complete peace of mind.
